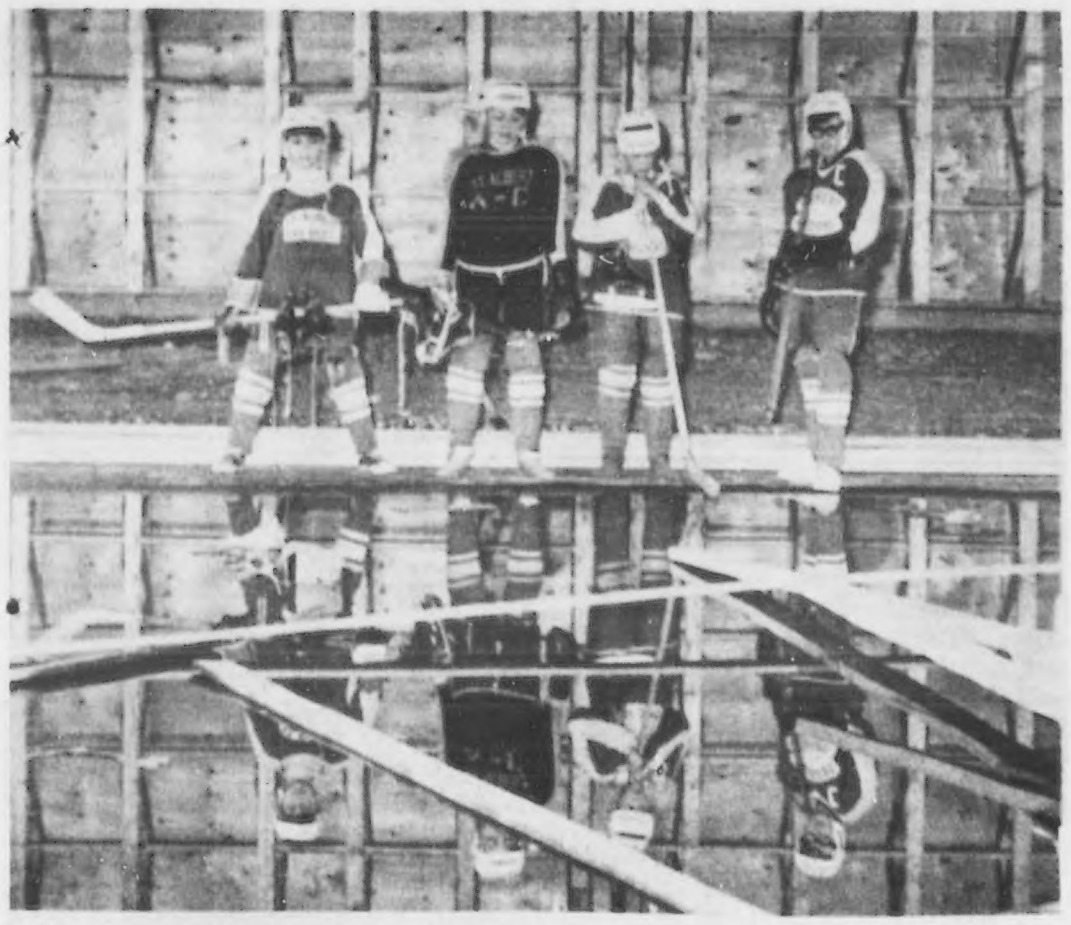
VOL 11 NO 38 WEDNESDAY, SEPTEMBER 30, 1970

P.O.BOX 263,St.Albert
Registration No.1930



Four young hockey players from Sturgeon Heights - waiting for the water to freeze in the St. Albert arena ! Left to right are Jimmy Ried 11, Zane Kelly 12, Blake Millroy 11, and Sandy Millroy 13. The sharp reflection of the boys looking into the water at the arena was caught by Gazette photographer Danny Bonko on Monday afternoon. Opening date of the arena is slated towards the end of November.

Council denies Bus Company's request for new route

Complaints from residents in the Braeside area of town to Western Bus Lines Ltd., about the distance they have to walk to catch a bus were put before council on Monday when the company requested council's approval of a change in route.

Mr. R. Ray McMurray, C.A., managing director of the bus company, told council that the present bus proceeds from Namao and Churchill to Perron Street, and thence to Mission. He asked that in future the bus be allowed to go from Namao and Churchill to Bishop Street, Sturgeon Road, Highway #2 and on to St. Vital Avenue.

Councillor R. G. Wheatley said: "With development in town moving east, by changing the route in this way you are not really penetrating the area that most requires your service. Also it is a question of whether the noise and speed of the buses is compatible with a residential area. I am not convinced that this re-routing down Bishop Street is the answer"

Councillor F. Lukay proposed an amendment that Western Bus Lines' proposal be accepted but reviewed after one year. This was defeated by 3 - 3.

The original proposal was defeated 4 - 2.

Dave Hutchings on duty with the Radio Communications Club at the Lions Walk-a-Thon last Saturday. The club had nine mobile units working under the direction of Charlie Cunningham, president, and Vic Post. They reported to Chairman Bill Webber on progress of the walkers, helped set-up check points, assisted with traffic control and checked on rule procedure for the walk.

Southside Ambulance ask for base in St. Albert

Following a request by Southside Ambulance company for permission to establish an ambulance service in St. Albert, town council deferred a decision on Monday until after consultations with the St. Albert Medical Society and Sturgeon General Hospital board.

Southside Ambulance, who already operate ambulances from Sturgeon General Hospital and Youville Home, proposed to initially limit their service to night service, from approximately 6 p.m. to 6 a.m., seven nights a week. Two employees of the company would take up permanent residence in St. Albert, where the ambulances would be based, and the service would become operational 24 hourly in the near future.

Southside asked that the town council guarantee that no other ambulance company be allowed to establish itself in the town so long as residents were satisfied with the service they gave. Their Edmonton rate is $18 and $1 per mile. In St. Albert they would charge $15 and $1 per mile.

Everyone can get into the act

Eight St. Albert citizens have shown a healthy interest in making their town a good place in which to live and raise families. They are prepared to give of their abilities and their time to back up their interest. And it will mean a personal sacrifice for them to serve on our council and school boards.

The public can meet these people and hear their views on Tuesday, October 6th. Every citizen can choose a candidate and can go to the polls and cast a ballot. These things show a healthy interest in the community too.

In the past St. Albert's record has not been good in the matter of voting or attending election forums. Perhaps the fact that so many good candidates have come forward will encourage a much better performance by the general public this time.

Grad exercises Friday

St. Albert High School graduates will be honored at a special program arranged by the school for Friday, October 2nd.

Graduation exercises will take place in the high school at 5:30 p.m. with a banquet and dance to follow at the Bonaventure Motor Hotel beginning at 8 p.m.

Lions Walk-a-thon success

The St. Albert Lions Walk-a-thon, under chairman Bill Webber, was an outstanding success. Over 400 walkers participated this year - an increase of more than 100 over last year.

The winning school and the individual trophy awards will be announced when the proceeds are collected and submitted to the Bank of Montreal.

The St. Albert Evening Lions Club extend special recognition and appreciation to the Radio Club for their communication services and for the refreshing soda given to the walkers as their free contribution.

School principals and parents co-operation deserves a big thank you too, but the greatest applause is reserved for over 400 enthusiastic walkers who, really stamped "success" on this event.

All money making projects of the Lions Club go back into community services such as the Leo's Club, Lions Park, Air Cadets, Little League Baseball and assistance to foreign education.

Challenge Cup soccer action

The pee wee soccer challenge cup series begins on Saturday morning at the Grosvenor Park pitch, with game time 9:30. Four St. Albert teams will compete in this series every Saturday morning in October and spectators are assured of plenty of action from the young fellows.

Players on the St. Albert Pee Wee All Stairs, who have been with the Edmonton league, will be merged with the St. Albert teams for challenge cup play.

Practices are held every Thursday at 5:30 p.m., Grosvenor.

Coach Tony Holden has taken over the Saints from Keith Hamilton, Jim Drysdale has the Lancers, Irv Young the Chargers, and Mike Kelly coaches the Flyers.

Boys are 11 and 12 years in pee wee soccer.

Good news curlers

Emcee Bob Hudson has a surprise announcement to make at the curling rink opening social Friday night. The occasion is the opening of the Friendly Giant Inn for the new curling season. All curling fans in St. Albert are going to be mighty pleased with the news.

Another feature of the evening will be prizes for newcomers. The social is planned primarily to introduce and welcome new curlers to the club.

There will be novelty curling in the early part of the evening, from seven o'clock, for anyone who would like to throw some rocks, followed by music and entertainment.

If you're a long-time curler, a new curler or a prospective curler, come and have a good time Friday night. The Friendly Giant Inn will give you a hearty welcome and warm hospitality.

Twenty-three inductees to St. Albert local A.T.A.

The annual Teachers' Induction Ceremony was held in La Cava at the Purple Dude on Friday, Sept. 25.

This ceremony marked the formal induction of 23 new teachers into the Alberta Teachers' Association.

President, Mr. Pat Thew, past president Mr. Jack Bauman and vice-president Mr. John Curilla of the St. Albert ATA Local #66, shared the duties of welcoming new teachers from schools in the two districts in St. Albert.

Mrs. Patricia Morris and Mr. Ray Marak are new Alberta teachers at Paul Kane High School. Mrs. Donna Carter, Mrs. Susan Fairburn, Mr. Joe Denko and Mr. Atken Armenian are now teaching at Sir George Simpson Junior high school. Mrs. Sandra Margetts, Mrs. Gail McIntyre, Mrs. Barbara Huston, Mrs. Germaine Malabre, Mr. Lawrence Kinnakin, Mr. Dick Kreny, Mr. Hugh Campbell, Mr. Hugh Phillips and Mr. Gerry Buccini are all new to Sir Alexander Mackenzie School.

Mrs. Julie Rowe and Miss Barbara Biles are new to Leo Nickerson Elementary school. Robert Rundle had no new inductees.

In District #3, Mrs. Elvina Pikula is a new addition to the St. Albert High school staff.

At Vital Grandin School Mr. Keith Walls and Miss Wendolyn Sereda are inductees.

Mr. Robert Brescia has joined the Father Jan School staff this year, and Mrs. Robin Vargo and Mrs. Teddi Hyndman are new to the Albert Lacombe School.

Also honored at this function was Mrs. Pearl Wilman, a retiring teacher of District #6. Mrs. Wilman was presented with a gift voucher from Hurtigo Bookstore by Mr. W. Penrose, of the #6 school board, and with a ring by Mrs. E. Goodman, on behalf of the St. Alberta ATA Local. Mrs. Wilman was a member of the staff of Sir George Simpson School last year.

Chamber invites Citizen of Year nominations

Individuals and organizations in St. Albert have until November 4 to nominate a candidate for the Citizen of the Year award, sponsored on an annual basis by the Chamber of Commerce.

Submissions must be in writing, with all pertinent information on the proposed candidate, and including the thinking of the person or group making the nomination on why he or she deserves this award.

All nominations will go before a board of judges for consideration and the award will be presented at the annual dinner meeting of the St. Albert and District Chamber of Commerce on November 27.

Please mail nominations to Mr. Jim Oliphant, Citizen of the Year Award, c/o Grandin Agencies, Grandin Shoppers Park, St. Albert.

Bacteria used on waste problems

For millions of years, ever since the beginning of the world, all organic matter has been involved in what scientists call the carbon or nitrogen cycle of life.

Grasses, herbs and other plants capture the energy of the sun by the process of photosynthesis and chlorophyll is created. This substance is vital to the existence of all organic life, not only to the green plants themselves, but to the animals, birds and men who depend upon the reliability of this production process for food.

Then, at the end of its life span, organic matter returns to those substances from which it was created, carbon dioxide, water, air and a few essential minerals. This is accomplished either by fire or by bacterial activity. Simply put, it is the failure of the bacterial waste elimination process to cope with the problems of 20th Century living that have created throughout the world the present ecological problems which result from too many waste materials that are lagging behind the natural process.

Bryan Kelly of Garrett Kelly Sales Limited in Edmonton has been furnishing what he describes as a 20th Century miracle product, DBC Plus Dried Bacteria Cultures, and his customers include hospitals, municipalities, government agencies and private concerns who have waste-in-water problems that they cannot adequately meet.

DBC Plus Dried Bacteria Cultures are specifically grown to handle organic matter, including grease, in wastewater. They are apparently unaffected by detergents, antibiotics and petroleum spills which usually spell doom to any wastewater or sewage treatment plant.

The know-how to produce these Dried Bacteria Cultures is less than 10 years old, according to Kelly, and in various formulations, the DBC Plus product is used to remove petroleum oils from wastewater, to clean field sumps in the oil industry, to improve the operation of sewage treatment plants, to eliminate grease from sewer lines and pumping facilities, and as a means of extending the useful life of septic systems. And what an appetite these micro organisms have!

If one of the bacteria used in the formulation of DBC Plus were to be equivalent in size to a thousand pound horse, that single bacteria would consume 47 carloads of feed each and every day and there would be no waste to remove afterwards because it would all be converted into harmless gasses water and air.

Interested persons may contact Mr. Kelly at -- 433-2561.

"Now, my boy," said the teacher, "you mustn't say, "I ain't goin" You should say, 'I am not going; he is not going; we are not going; they are not going.'"

Boy: "Wow! Ain't nobody goin' then?"

St. Albert would not be served by amalgamation

Mr. Robert A. Russell who has lived in St. Albert for 6 1/2 years has served on the District #6 school board for two years and on St. Albert town council for two years. He is manager of Vickers & Benson (Western) Ltd., an advertising agency.

The opinion expressed in this series of three articles are those of Mr. Russell, and do not necessarily express the policies and opinions of town council.

Space will be made available to other councillors should they wish to use it for an assessment on town affairs.

ROBERT RUSSELL

Three years ago when I was a school trustee, I felt that we had no alternative here in St. Albert but to join the City of Edmonton. Our taxes were going up every year, no action was being taken on the town dump, land costs for school sites were increasing at alarming rates, our hospital development was bogged down in petty bickering, and the town appeared to be making very little progress in long range planning and in overcoming the financial problems.

A lot of changes have taken place during the past two years. Changes that have caused me to reconsider my stand on amalgamation. We have taken the steps to correct some of the problems of the past, and could probably remain independent for many years to come. Furthermore, there are some very valid reasons for not joining the big city to the south of us.

Big government does not necessarily mean good government. Unlike federal or provincial governments, most cities do not have a cabinet structure and the individual or group cannot make a direct appeal to a cabinet minister who could bring his own pressure to bear on the government. The big city political structure is so nonpartisan (in a political sense) that vocal minority groups or individuals on council have an undue bearing on the actions of council. Further to that, the efficiency of an all powerful central government may be a myth that we could well do without here in St. Albert.

better policies

We now have a policy in the town of negotiating development agreements with developers based on guidelines that ensure that a development does not become a burden on the existing taxpayer.

These guidelines are under constant review and the terms of the agreements are frequently checked by our staff to make certain that developers observe the requirements to the letter. We have prescribed maximum densities and have set minimum assessment requirements so that any development will provide sufficient taxation revenue to handle the resulting school and municipal cost of the development.

School Land

During the past, our two school boards purchased their land as and when they could. A new development meant more children and demands for new school sites (which are not paid for by any government grants and must be paid for out of revenues). Developers and land speculators could, in effect, hold up a school board regarding the price of their land which, in my opinion, was intolerable in as much as the developer created the demand for new schools in the first place.

We now have a policy whereby the town will not sign a development agreement with a developer until the school board advises us that they have acquired sufficient land from the developer at a price which they consider to be just and reasonable.

We have made every effort to place public reserve land adjacent to school lands in order to obtain the maximum utilization of these lands.

Joint Use

I believe implicitly in the "Joint Use" concept whereby all the school and town owned recreation and parkland comes under joint use, available to all citizens (after certain school recreation priorities are accommodated). Joint use also applies to school buildings and in this manner we can increase the utilization of these expensive properties.

Leo Club will sell candy

Boys and girls of the St. Albert Leo Club will be working hard next week to earn some money for their community service projects.

They will be out every evening in all areas of St. Albert selling Hallowe'en candy, or until their supply is exhausted.

The club numbers 15, with 12 boys and three girls and they will be receiving their charter next month.

The Leo's of course are junior Lions and organized by the St. Albert Lions Club about a year ago.

down Tigers

In a challenge flag football game played Sunday at Grandin Park, members of the local RCMP put on one of their famed musical rides, and apprehended the Tigers from Grandin Esso in their tanks, to come up with a hard fought 32-25 win.

With the score 20 - 19 in favor of the horsemen, undercover agent Evan Morgan walked over towards the sidelines for a drink, but slipped unnoticed behind the Tigers and caught a Bob Cameron touchdown pass. This manoeuvre put the police ahead to stay.

Constable Mike Hempel, who defected for the day to coach the Tigers (plus add some beef to the line) saw his team stopped on the goal line in the final seconds of play. A touchdown at this point would have tied the game.

The Candidates Express Their Views

Dave Davis

PROTESTANT SCHOOL BOARD CANDIDATE

For a number of years the public has been concerned about the spiralling costs of education.

School boards can no longer ignore the taxpayers concern and criticism of educational costs.

It is apparent that because of increases in costs, school boards can no longer readily approve programs without spending the time and energy to evaluate such programs. If all costs are not scrutinized more closely, school boards will not survive as substantial increases in costs of education now exceeds the revenues available.

There has been in the past a definite lack of communications between the school boards and the public. This I believe has been mainly attributable to the fact that school boards have had a free reign on the purse strings. Good communications will keep the public better informed and assist the taxpayer in determining how wisely his tax dollar is being spent.

A new look at management is now required because of the complexities in the administration end of education.

Because of the rapid increase of population in St. Albert, heavier demands in educational costs will continue. The cost of education still requires priority and will take the larger part of the tax dollar. Future educational demands must be examined, re-examined, evaluated and re-evaluated in order to avoid financial disaster.

We must eliminate needless and unproductive spending but continue to maintain the highest possible standard of education.

The increased complexities surrounding the administration of education costs requires that present and future school board members continue to be of a high calibre.

I am vitally interested in the affairs of St. Albert and in particular the education of our younger generation.

Bill Penrose

PROTESTANT SCHOOL BOARD CANDIDATE

The Chamber of Commerce has, for the first time, invited school board candidates to appear, with council candidates, at its annual election rally.

Some people are saying that school board candidates should not be a part of the election rally! Why not? Surely the electors are just a little curious about the people who will have charge of their children - who spend their tax dollars - and who operate the biggest "business" in this town. Schools not only teach children but are a vital part of the prosperity of the Town of St. Albert. The school systems' payrolls are nearly one and a half million dollars a year. Most of it circulates in and around St. Albert. Teachers and staff live among us, pay taxes and do business in the town's shops and banks.

Nearly half our town population are children, most of them attend school. The other half are mostly parents.

You could say that everyone in St. Albert has a "vested interest" in school affairs. That interest surely must extend to the election of those men and women willing to work as trustees!

The Chamber, in my opinion, should be thanked, and not damned, for giving the electors a chance to see, to meet and to question all the people who stand for election to public office - council and school board.

Thank you -- see you on Tuesday night!

Alex Sollanych

PROTESTANT SCHOOL BOARD CANDIDATE

First let me extend my thanks to the Gazette for the opportunity they have provided to the electors of the district to assess the platforms of the several candidates.

The following is a brief resume of my qualifications, and the plans I would pursue on your behalf.

Having been instrumental in starting and operating the first student bus system in our district; and attending board meetings for years, I am well aware of the time-consuming duties and responsibilities involved. Being self-employed I am also in a position to fulfill these responsibilities.

It would be foolish of me to suggest, in view of the steadily increasing cost of living, that the taxes required for education in our district could be substantially reduced - and still maintain or improve the standard of education. But there are areas where I feel we could realize savings. Some of these are:

1) Combined purchasing with other boards or districts of equipment and supplies.

2) Taking advantage of a central information pool in regards to the usefullness of school buildings in relationship to their cost and design.

3) The employment of qualified, trained personnel in non-teaching roles in our system, releasing our teachers fully to the purposes for which they have been trained.

These are just a few examples where economics can be realized.

One important area of our education system I would like to see improved is that of program - counselling. I believe it is essential that this be a co-operative program involving the faculty, student and parents. This will give more realistic guidance and essential pre-requisites, based on aptitude and ambitions, towards further education or training for vocational or business goals.

The other area, as important I feel as the three R's, is a thorough program to prepare the student for many of the problems we all face at one time or another in the business, social, community and home life, after leaving school. I refer to such things as: preparation for marriage; budgeting; careful shopping methods; rentals; contracts; mortgages; home maintenance; every-day law; driving education; preparation for employment; involvement in service clubs and community groups.

This list could go on and on; but generally speaking to cover those areas of human and business relationships that are based on social, moral and legal responsibilities. Thus enabling our students, when they leave our halls of learning to achieve a measure of success and happiness in our society.

Let me conclude by saying that your representative on the board should have a sound platform and the ability to carry it through. Both will be lost if you fail to cast your ballot on October 14.

Norman Lynch

PUBLIC SCHOOL BOARD CANDIDATE

We cannot afford not to educate our children, but, can we afford what we are now paying for? A great deal of money is being spent on expensive and extensive training aids for classrooms. But what now of the cost to train personnel to use them?

These are just two of many important points that require constant vigilance and review to ensure that maximum benefits are obtained from the education tax dollar. Then too, we are again embarking on a new building program which entails many facets of spending for materials, equipment and personnel. The board of trustees is solely responsible for these expenditures on your behalf. How can this money be spent most wisely? How can the taxpayer know what is happening to his hard earned dollars?

Basically these are the main reasons for my seeking election to the St. Albert Public School Board. A program must be developed to communicate to the taxpayers exactly what is happening to their dollars. And to show him sound reasons for selection or rejection of expenditures.

The board has been doing an admirable job in maintaining a high standard of education for our children. However it deserves all the assistance that can be offered to determine proper expenditures and obtain maximum benefits.

I firmly believe that my background leading to my present position as director of purchasing for the Edmonton General can greatly enhance the board's functioning in monetary matters, as witness my recent election to vice-president of the purchasing association for Alberta hospitals.

Although I am primarily seeking election as a financial advisor I am not without working knowledge of educational institutions. During my 16 year tenure in the RCAF I received extensive training in personnel administration and as a chief instructor for three years I developed considerable skill in teaching and student assessment.

I will be genuinely pleased to be your representative and trustee for the public school board.

Sylvia Walsh

PUBLIC SCHOOL BOARD CANDIDATE

Education today, more than ever, is a vital issue. More students are staying in school for a longer time than ever before.

They are preparing to face the challenges of a fast-paced, highly specialized, and ever-changing world. This highly accelerated pace of society has had a corresponding effect on education. THE PRESSURE IS ON!! Education is being scrutinized and questioned as never before. As a result, the school and the community are moving closer together. This is a trend that must continue if the quality of education is to be maintained and improved.

Some of the challenges facing education today include the ideas that:

* every child must be helped to develop to his fullest potential,

* courses, particularly at the high school level, must be geared to keep pace with the needs of society,

* the role of the teacher is changing from one of authority-figure to one of motivator,

* there is room only for top-calibre people in the teaching profession,

* audio-visual aids and other technological advances should assist, rather than replace, the teacher,

* open-area team teaching has certain advantages,

* the divided school year is a possibility,

* more use should be made of school facilities after school hours on a year-round basis,

* groundwork must be laid before the introduction of new courses (eg. modern mathematics, computer science, family-life education).

St. Albert is expanding rapidly. This means an increased school population and the need for new and extended classroom facilities as well as for extra staffing. All this costs money.

I do not need to remind you that a good portion of your tax dollar is spent on education. There is no room for inefficiency, carelessness, or unnecessary spending in this department. Priorities must be established.

The aims, purposes, and costs of education need constant re-examination. This, in my opinion, is one of the major duties of any school board member.

If elected, I do not propose any revolutionary changes. I am not in any position to make great election promises. However, I would do the very best job that I am capable of.

In the final analysis, education will be only as good as you, an informed public, demand.

Bob Hudson

TOWN COUNCIL CANDIDATE

Regarding amalgamation, it has been said that this is inevitable. I am not convinced that this is fact. It is my understanding that the destiny of our town regarding annexation is solely in the hands of the Local Authorities Board.

I am convinced that the majority of the ratepayers in St. Albert are opposed to annexation, despite the plebiscite held which resulted in a pro-amalgamation vote. This plebiscite was unfortunately voted on by a small percentage of the ratepayers and was in no way indicative of the feeling of the majority in my opinion.

Continued on Page 5

Tom White

TOWN COUNCIL CANDIDATE

Firstly, a sincere thank you to the Gazette for this opportunity to present my views to the St. Albert electorate.

My decision to run for the job of town councillor was made with two basic reasons in mind:

1) I care about St. Albert and believe in our town's future; and

2) I am fortunately in a position to devote the necessary time to fulfilling your trust should I be elected.

We have a lot going for us in St. Albert and I would like to bring this realization not only to our present citizens but to prospective citizens as well.

Candidates

Continued from Page 4

BOB HUDSON

We recently benefitted by a substantial reduction in our property tax while Edmonton slightly increased their mill rate, and I think with a little effort, this tax gap could continue to close in the future. I look at the dollar difference between Edmonton and St. Albert and ask myself what am I getting for that dollar and the answers flow with ease.

The answers all relate to one very large subject: My two children. Our streets are safer, and prettier; our education systems compare favorably; and, compared to Edmonton, our recreational facilities are superb and pleatiful. For example:

St. Albert population -- 10,500; One swimming pool.

Edmonton population -- 450,000; Eleven swimming pools, OR approximately one pool for every 41,000 people.

And the list is comparable in hockey, soccer, baseball, curling, etc. Before leaving the subject of amalgamation I would promise to do my utmost to keep St. Albert independent and remain as Alberta's largest and oldest town.

Our higher taxes have always been a contentious issue and I feel we have reached a peak whereby with proper control of capital expenditures, we should not have further increases in the foreseeable future. All of us would like an indoor swimming pool and this type of project should be high on our list of priorities. It is my feeling that we budget in such a manner that this be done only when we can afford it.

Expansion to a population of 30,000 by 1981 has been forecast for our town. We experienced this rapid growth a few years ago with some disastrous financial repercussions. Our approaching growth has to be controlled carefully.

The Athabasca University site is located outside our town limits and that fact is not disturbing as far as I'm concerned. I would be happy to see the provincial government pay for servicing and developing the site. Hopefully we may benefit by commercial and/or light industry development in our town because of its location relative to the university.

In closing, I would promise the ratepayers honest effort and the necessary time required to do a job on council if elected. I would also like to thank the "Gazette" for their interest and involvement in this election.

TOM WHITE

St. Albert is well on its way to becoming one of Alberta's most scenic and pollution free residential areas. I say pollution free because it is a residential area and not an industry mad town as so many others are becoming.

Amalgamation can be fought, and since we have lots to fight for, I am ready and willing to do battle. I feel that our property taxes will eventually be lower than those of Edmonton's. Due to a lack of planning for growth and rapid expansion, Edmonton's taxes are going up at an alarming rate. Our present town council has been planning for future expansion and have built up a reserve for future water and sewage installations to be carried out without increased taxes. I would continue with this progressive thinking to prevent the necessity of unforseen levies being passed on to St. Albert ratepayers.

While I commend previous town administrators for their planning in many areas, I am, at the same time, opposed to condominiums and do not feel they add anything to a community. I would therefore be against any future proposals for more of these in St. Albert.

In my opinion, the present policy on density of 80 per cent single residential, 17 per cent row housing, and three per cent high density is an excellent ratio, and I would direct my efforts toward maintaining this.

Town talk has it that there will be a poor turn-out at the poles October 14, that this is a bad time to seek election. However, I feel that the citizens of St. Albert care enough about our town and its future to exercise their right and will get out and vote on election day.

Around Town

The second annual Edmonton Snowmobile and Winter Fun Show recently completed a three day show at the Sportex with St. Albert's Gazette team of Danny Bonko and Larry Mitchell winning the news media snowmobile strippers relay race.

Contestants were required to put on a snowmobile suit with zippers and buckle done up, race across a 40-foot stage, take off the suit and the partner put it on, run back and remove it. The winners were 13 seconds ahead of runners up Gerry Ball of the Journal and Caroline Arabchuk of the Edmonton Ski Patrol.

** ** **

Gordon Patterson and Ken Klifford of St. Albert, members of the Edmonton Motor Cycle Club, are working on the upcoming motorcycle hill climb at the Bon Accord hill, October. 11. For thrilling spectator sport this annual event would be hard to beat. From the point of view of the riders the 150-foot hill, rising almost straight up is hard to beat too.

Superintendent's Views of St. Albert

Mr. Elmer Gish, superintendent of School District #6, as a comparitively new resident in town expressed his impressions of St. Albert in the district's September Bulletin.

He said: "Since arriving in the community of St. Albert, I have been impressed with its determination to remain as a dynamic socio-economic entity, and the two educational systems can contribute substantially to this objective. All around us are indications of exceptional expansion and change. This process is apparent in the extension of the town's boundaries, the massive building projects, the potential asset of the University of Athabasca and the development of new school sites.

In our district the open area addition to Sir Alexander Mackenzie school has created an excitingly different learning environment. The department of education has approved the building of a new high school, and the board has established a highly qualified teaching staff to provide superior educational opportunities for an increasing student body, now exceeding 2,400.

School for unmarried mothers

A program unique to Canadian education and designed to help unmarried mothers of school age, has met with success and praise in its first year of operation.

One hundred girls, averaging 16 1/2 years, have taken advantage of the opportunity of furthering their education instead of becoming school drop-outs because of social stigma and personal feelings.

The school is operated by the adult education department of the Calgary school board, which supplies a building, services and bus tickets. Students pay a tuition fee of $5 a month. There is a full-time teaching staff of nine and secretarial staff is provided by community volunteers.

In addition to regular academic subjects, covering grades 7 to 12, there are also classes in business education, home economics and sewing.

Most of the girls come from elementary schools in Calgary and other parts of Alberta. About 10 per cent are from other regions of Canada. The youngest enrolled was 13.

Around Town

Les Moorby, candidate for a seat on town council, was away hunting this week.

** ** **

Students in District #6 still have plenty of time to submit their entries for the design competition of the school district's Bulletin.

The competition closing date is January 29, 1971, when prizes will be awarded. So far only two entries have been submitted.

** ** **

Members of the 1st St. Albert Brownie Pack are advised of a change in meeting. The pack will meet every Wednesday at Leo Nickerson School from 4 - 5:30 p.m.

** ** **

A page feature in the fall issue of the Alberta Association of Registered Nurses news letter was devoted to August's opening of Sturgeon General Hospital.

** ** **

Mrs. Chester Cunningham was taken into hospital in Drumheller last week while visiting at the farm home of her mother near Drumheller. She is reported improving, but will be hospitalized for some time yet.

** ** **

Any local entertainers who would like to perform on occasion at the Legion Hall may telephone 599-7142 for further information. Entertainers are remunerated by the St. Albert Legion.

Town to lease land for Bruin

Council approved a resolution put forward by Councillor R. Kambouroff on Monday, to lease the site required by the Bruin Inn Hotel for parking and development. The terms of the lease and its duration were not specified.

The site consisting of Lots 67 to 72 inclusive, will provide 190 parking stalls. The cost of paving the area was estimated at $26,063.

Councillor R. G. Wheatley chairman of the finance commitee, where the original recommendation of leasing the land had come from, said:

"I favor a lease arrangement because I think the municipality should retain its parking space in the downtown area. I like the idea of the town hanging on to that land."

Regional Planner Mr. John Woodroffe advised council to continue with previous policy of encouraging commercial development in St. Albert.

He said: "I feel that now the town is starting to grow we should be careful not to get too mercenary. We should stay on this course and encourage development. If we don't get this thing going down there, we're going to be faced with a commercial enterprise on a large scale going elsewhere."

Cool news for St. Albert skaters - Kinsmen Ice Plant now a reality. President Bruce Daley is pictured signing purchase contract while Arena board member Tom White looks on. Installation of the $30,000 plant is expected to be completed by mid-November.

Namao Hockey Players

MINOR HOCKEY LEAGUE PRACTICE SCHEDULE
PRACTICES BEGIN FRIDAY, OCTOBER 9

The schedule is repetitive until a new schedule is published. Please cut this out and keep it handy. All players are to be dressed and ready to play five minutes before allotted time. Sturgeon General Hospital

WISHES TO ANNOUNCE

HOSPITAL TAG DAY

Saturday, Oct. 3

10 A.M. TO 6 P.M.

Taggers will be located at Grandin Shoppers Park, Downtown St. Albert and in the Town of Morinville.

We hope with the residents kind support it will enable the Auxiliary to work towards the completion of our project to help furnish our Sturgeon General Hospital.

Legion Corner

The Legion corner is a brighter corner this week, thanks to the hard work of a handful of interested members who put down a concrete sidewalk in front of the hall last weekend. Not only legion members but the public at large will be delighted with this project, which will certainly cut down on the muddy shoes. A big thanks is due to all those that helped.

Armistice Day, November 11 is drawing close once again, and that means only one thing -- remembering those who gave their lives for us.

Anyone who would like to purchase a wreath for this occasion may do so by phoning Doug Taylor at 599-7495 as soon as possible, as these wreathes have to come from Ottawa.

Keep it in mind commrades and friends that the legion has a social night every Saturday - 8 p.m. to 12 p.m. We are always pleased to see new faces as well as old ones. For the newcomers to our town, the Legion Hall is situated right next to the curling rink. So come on out and enjoy yourselves with a game of darts, cards or a little dancing in a friendly atmosphere.

Tickets for the "Armistice Day dinner dance" to be held at the Club Mocombo Nov. 11 should be available by the weekend.

Don't forget folks, there is a limited number.

Notice of Poll

MUNICIPAL ELECTIONS 1970

TOWN OF MORINVILLE

Public Notice is hereby given that Polling will take place for the Election of Councillors on Wednesday, the 14th day of October, 1970 from ten o'clock in the forenoon until eight o'clock in the afternoon at the following place or places -- TOWN OFFICE -- and at the same place, time and date above mentioned, Poling for (a)member(s) of the Board of the Thibault R.C. Public School District will take place. And that I will at Town Office on Friday the 15th day of October 1970 at 11 o'clock in the forenoon sum up the votes and declare the result of the Election.

Given under my hand at Morinville this 17th day of September, 1970.

P. E. Brochu,
Returning Officer.

Camilla clothing Club

The Camilla Clothing Club was reorganized recently in Riviere Qui Barre when Cindy Brennels was elected club president.

Other officers are: vice president, Connie Iseke; secretary, Josephine Keiftenbeld; treasurer, Annette Gadoury, and reporter, Joan Sheehan.

Club leader, Mrs. Douglas Brown, is now back with the club, and with a full quota of members from last year and four prospective members, they are looking forward to another enjoyable year.

Calahoo W.I. meets

By Liz McLeod

The 115th meeting of Calahoo Womens' Institute was held at Mrs. Myles Kerr's home on Sept. 22 at 8:30 p.m. with 12 members present.

The Creed was recited and Mrs. Henry Bergstreiser read the minutes of the June meeting.

Our treasurer Mrs. Roy Schmermund informed us of our financial status and also told us that it was a Mrs. Lloyd that won the quilt that was raffled at Klondike Days in the WI booth during the fair.

Calahoo at this stand on the 30th demonstrated the Story of Wool. We had two live lambs there and carried on from the tanned hide donated by Alberta Wool Growers to the spinning dove by Mrs. Victor Albrecht. Carding by hand was done by Liz McLeod and the carding machine operated by Mrs. Roy Schmermund and Mrs. Henry Bergstreiser, changing off carding and selling tickets ($50.25 in our hours 1 to 4). Mrs. Gordon Schmermund quilted (working on a crib quilt) Mrs. Myles Kerr and Miss Elaine Albrecht knitted.

There were many compliments on the display of finished products made from wool such as stuffed toys cushion tops, hats, homespun wool socks, mitts and slippers.

We thoroughly enjoyed every minute of our afternoon at Klondike Days.

In the correspondence there was a letter from Villeneuve CWL thanking us for the pleasant visit they had to our June meeting.

Dona Ridgeway gave us further instructions on our forthcoming project of making a Calahoo WI cook book from the North American Press of Kansas City Incorporated. A newsletter from our constituency convener Mrs. Kris Dalheim was read

If anyone requests information on foods etc. the person to write to is Mrs. Davidson, Box 5112, Edmonton 51.

An interested letter was read from the Canadian Mental Health Association, Northern Region, signed by Howard Clifford telling our group they will no longer have their fall fair. We used to send articles for the patients to buy to send as Christmas gifts but they will embark on a Alberta Hospital camping program and are asking for contributions to this. This last year many patients were able to go to Gull Lake camp and Camp He-Ho-Ha and they wish to widen this horizon so Calahoo WI agreed to make a donation of $25 towards this project.

District 11's handicraft tea will be held Nov. 18 at Sangudo this year.

At this time Liz McLeod thanked the members for their cards and expressions of sympathy in the loss of her son Raymond. Mrs. Vance Berry presented her with a potted plant of white chrysanthemums.

The subject for this meeting was citizenship. Daphne Kerr presiding gave an interesting talk on human survival informing our group that the world population in 1969 was 3,551,000,000.

There are 3.9 babies born every second while the rate of death now is only 2.2. She got her figures from a Royal Bank of Canada Monthly Letter.

The roll call was: Do you believe in capital punishment? To which most answered "yes."

It was very nice to meet and visit after the summer recess and happy birthday was sung to Daphne Elsa and Cecile. During lunch the members thanked their secret pals for their birthday gifts and some whose gifts were brought to the meeting were able to show theirs.

"God's Love and the Human Need"

Mrs. Florence C. Southwell, a member of the Christian Science Board of Lectureship, from Miami, Florida, spoke at McDougall United Church, Edmonton last night on "God's Love and the Human Need."

Mrs. Southwell, a teacher and practitioner of Christian Science, said: "Our real needs are for what is spiritual and our first need is for spiritual growth. Basic to all needs is our need to know God and to know ourselves as His children. Security, health, home achievement -- these things are added naturally to our lives as we become spiritually aware of God's love for man and of man's sonship with God."

The driving force behind all our efforts, she said, must be to "glorify God in His own way." This requires an attitude of prayer. "It's really communion with God and through this communion, awakening to God's great love for man, we experience the coming of the Christ. It enables us to love our neighbour as ourselves, and makes us aware that all men have one Father."

Florence C. Southwell
Christian Science Lecturer

Town of Morinville

Morinville Candidates Express Their Views

Seven candidates will contest the October 14 elections in Morinville for council and school boards. Each candidate was invited to submit a short resume of his personal background and views and they are presented here in alphabetical order. The Morinville Board of Trade will host a public forum "Meet the Candidates" on Thursday, October 8 for both council and school board candidates. The public is invited to attend and take part.

GILBERT BODDEZ
TOWN COUNCIL

I have been nominated as a candidate for the Morinville town council. I have served as a councillor for the past three years and am aware of the problems that face urban towns.

I am 39 years of age, married and have two children. I am employed with the MD of Sturgeon as accountant and have been for the past 8 1/2 years. Many municipal and town problems are similar, therefore my experience in the municipality is beneficial to me as a councillor.

Some of our problems are now being alleviated and I am sure a bright future for our town lies ahead.

The election is October 14 1970, and I solicit your support at the polls.

VINCENT CURTIS
TOWN COUNCIL

For the past three years I have served the people of Morinville as councillor and deputy mayor.

There have been many problems, many decisions to be made. We can also see a lot of progress: the new sewer lagoon, the fire hall, the paving of highway 2A, and present street construction. These and future problems can only be faced and overcome by a good town council co-operating for the betterment of the town.

I feel that I have contributed much to the operation and development of the town. With the experience I have gained in the past three years I can continue to contribute much to the betterment and progress of Morinville, if you support me in the coming election.

NORMAN MEUNIER
TOWN COUNCIL

I am 26 years old, a business man and family man and sports supporter.

This is my first try as candidate for town council but I am an interested and concerned citizen, as a young family man, property owner and business man.

I am interested in facts, not opinions in local tax matters. I am also very interested in the well being of all citizens, regardless of age or location in the town.

I am concerned about the progress of this town. I am concerned about the way the local tax dollar is spent. I want to know how government grants are spent in Morinville; who is benefitting the most from them. So far to the best of my knowledge, there has been no community recreation program for all the young people of this town, supported by the recreation board.

I promise to do my duty, by serving with integrity all the citizens of Morinville, if I am elected on October 14.

GARNET WILEY
TOWN COUNCIL

I have lived in the Town of Morinville for 10 years.

I am a Lion of nine years standing, serving as director, president and at the present secretary-treasurer.

I served on the sports association for three years, director for one and president for two years. At present I am serving a three year term on the recreation board, the past two years as chairman.

I believe I have something to offer to all the citizens of Morinville.

Being new to town politics I am willing to study, and learn, to the best of my ability, the running of town affairs.

YVONNE LEDUC
THIBAULT SCHOOL BOARD

I am 46 years old, the wife of Joseph A. Leduc journeyman plumber and farmer, and mother of five school age children. For the past eight years I have lived in Morinville.

I have always admired my father for his work as trustee of our school when I was a child. Somehow it must have rubbed off on me and since then has instilled in me interest and thirst for good education. I have been known to work for the advancement of French in our schools. During the past few years I have noticed that the cost of administration is high and the results are very few.

As for my accomplishments I have been postmaster assistant, cashier and receptionist at the Misericordia Hospital and am now housewife and bookkeeper for my husband's firm. Interested in the community I became president of the MFC or Mouvement Des Femmes Chretienne and was executive member of Frontier Daze for five years.

Though I have no previous experience in school board work, I feel that I now have the time and capacity to devote myself to progress and better education in our schools.

LEON RIOPEL
THIBAULT SCHOOL BOARD

Once again I am pleased to offer my services and my time, as well as my experience for trusteeship on the Thibault school board.

I have throughout the years had a keen interest in education, always trying my best to solve the many problems confronting me as a school trustee. I have also always advocated keeping the autonomy of our school, as well as the improvement of its standard of education.

I can assure the Morinville voters, that if elected, I will continue to work for these very worthy causes.

MATT TELLIER
THIBAULT SCHOOL BOARD

In 1934 I was elected school trustee for the Thibault school district. Since then, I have read a great number of articles on education and as a member of the provincial executive of the Alberta School Trustees Association, I have attended as many conferences as my time would permit. I feel that these have provided me with the knowledge and information to give positive leadership along with the other members of the board.

What does the future have in store for us? Where is Morinville going? Rumor has it that major developments are to occur within the next five to ten years. This implies a great deal of planning by the members of your board as well as the teaching staff. In all probability, we will be considering new school facilities in the near future. For this, experience as a board member will be important. As the town grows the school system will grow and we must be able to offer more and better programs to improve the educational standard of our district. I hope to remain a part of the education process of this district and I seek your support in the forthcoming election.

Morinville district

4-H Cool Spoolers organizational meeting is October 6 at 7:30 p.m. in the meeting rooms at the rec centre. For information mothers or girls interested may telephone Rhonda Stapleton at 256-3055.

Rev. George Primeau and Rev. R. M. Martineau have returned from a six week tour of Europe.

Mrs. Ann Maslyk, member of the provincial CWL council returned last weekend from the National CWL convention held in Toronto.

Mr. and Mrs. Henry Ramsay were guests of honor at a farewell party held last week in the recreation centre with some 90 guests present, hosted by the Morinville Board of Trade. Mr. Arthur Soetaert was master of ceremonies. Mr. Roger Blackburn, president of the Morinville Board of Trade, made a presentation of an engraved silver tray with matching goblets. Mr. Ramsay was an active member of the Board of Trade and serving as a director at the time of his departure from Morinville recently. Mayor Arthur Stapleton presented the former councillor and mayor with a clock and pen desk set.

Lion President Frank Brenneis presented Lion and Lioness Ramsay with a lighter and cigarette box. Mrs. Pat Krauskopf presented Mr. Ramsay with a fancy coffee mug on behalf of the Morinville Coffee Club. Mrs. Loretta Blackburn presented Mrs. Marie Ramsay with a dozen American Beauty Roses. Both Mr. and Mrs. Ramsay thanked their hosts and citizens for the party and the lovely gifts. Music and dancing with a midnight lunch concluded the evening.

The regular Morinville Board of Trade supper meeting will be held on Tuesday, October 6 at 7 p.m. in the Morinville Legion Hall. Mrs. Toni Found will convene the October meeting.

The recent registration for brownies, guides, cubs and scouts saw over 40 brownies and cubs registered. Some 20 guides have begun weekly meetings and 10 scouts have also registered. Executive of the Mother's Local, sponsors of brownies and guides, will meet this week. A parent's committee for cubs and scouts will also choose a chairman and executive for the coming year. Last Saturday the cubs, 42 strong, with leaders, went on an outing on the outskirts of town.

Anyone wishing to donate any kind of articles for the coming rummage sale in support of local guides and brownies may contact Mrs. Jo Anderson (Mrs. Robert) in new bungalow south of the town library.

The Morinville Curling Association executive held the first meeting of the season with president Ross Yolland as chairman. Mr. Ed Kryskow will be in charge of ice making this year. Tenders are being called in this issue for a caretaker and concession manager for the Morinville curling rink. It was also announced that another Grey Cup pool is being organized for 1970. A working bee has been proposed to paint up and clean up the club room and washrooms.

Three members of the Mother's Local attended a orientation seminar in Edmonton recently. Mrs. Jo Anderson, new president, and Mrs. Linda Pifko for guides and Mrs. Marjory Rockwell for brownies.

Sincere expression of sympathy to Mrs. Eugene Caron on the recent death of her father, Mr. Edward Pelletier of Legal.

On the sick list are Mrs. Yvonne Wiley and Chief Alex Auigibelle of the Alexander Reserve, Miss Lorraine Mercier who suffered serious facial lacerations when she was involved in a recent car accident. Miss Michelle Pelletier who escaped serious injuries when she was thrown from a horse on her parents farm; and petite Donna Bulger, three year old daughter of Mr. and Mrs. John Bulger, who has recovered very well from a serious operation last month in Edmonton.

As I See It

By Rose Martel

What is the real purpose of elections? Let us learn to evaluate the candidates with an open mind and become well informed citizens before we cast our vote.

We all have a choice to make. Before we cast our vote be it for local, provincial or federal elections do we, as responsible Canadians always evaluate each candidate on the basis of his qualifications. Or do we have other reasons, sometimes very selfish ones, to support by ballot an individual who will serve our purpose best, but not the community as a whole?

Democracy is not the perfect system but it gives us freedom of choice. Find out before you vote what each candidate stands for, what are his personal qualifications to meet the demands of his or her responsibility for the public good as a whole?

The best time to evaluate the merit of each candidate on integrity, honesty, and capacity in public life, is... before....voting day. The best way to protest against any type of administration is to vote against it. Make your ballot count....Be sure to vote....Be a well informed voter.

As I see it - Now...is the time to scrutinize and interview each candidate. Do not judge them only on what they say or promise, but also on their performance in the past. Selfish, or good public service. Take a good look at the record at your tax notices and try to learn the facts.

Today one must adapt to changes or perish. Often by following old traditions and parochial viewpoints we leave much to be desired. We must all realize that we are at the crossroads, and must meet the challenges of the times.

Be it in urban or rural areas, we must accept the fact that computerized cybernated automation is with us. Each child is entitled to the best education possible to prepare him or her for a future way of life.... not the old way. He should have the same educational opportunities be he in a city or country home.

Our towns also have to meet the challenges of the times and become attractive modern places to live in or else become ghost towns along the old trails of the past.

Let us all learn to evaluate our candidates not criticize them.

Herbed whole tomatoes

Fresh whole tomatoes may be cooked in a frypan with butter and seasonings. They should be cored then placed cored side down in melted butter containing salt, pepper and brown sugar. Cover and cook them slowly for five minutes then turn tomatoes, spooning mixture over them. The home economists of the Canada department of agriculture advise that uniformity of size will assist in the timing because the tomatoes should be cooked until just tender or they will become like stewed tomatoes. These may be enjoyed on many occasions during "tomato time," and the seasonings may be varied if desired.

Toys May Be Cheaper

Some toys retailers will be shifting their sales emphasis to lower-priced items (less than $10) this fall and Christmas. The reasons are that retailers are worried that the squeeze on incomes will dampen consumers' enthusiasm for high-ticket toys and that there is less profitability for the retailers in the heavily promoted, higher-priced, TV-ad-ticket items, consumers would unquestionably be facing bigger bills than ever for the 1970 Christmas toy shopping. In 1965, the average price of a toy at Christmas was $5. By last Christmas it had climbed to $8-$9, Peter Stevens, president of the Canadian Toy manufacturers Association, is predicting a six per cent increase in business this year. He said this would mean retail sales of $265 million this year, vs. $250 million last year.

Japanese Present Challenge

Within five years the average per capital income in Japan is expected to be slightly larger than the average in affluent West Germany and within easy hailing distance of the $4,300 a year predicted for Canada in 1975. By contrast, as recently as 1960, the average Japanese had a living standard only one-fifth as large as the average Canadian and barely one third that of the average German. Facts like these make it plain that Canadian businessmen and Canadian policymakers ought to be substantially more concerned about the implications for us of Japan's spectacular economic performance. For instance, are our forthcoming rules on foreign investment in Canada geared as much to the Japanese presence as to the American or European? Obviously the huge Japanese outlays of recent years on such resource materials as Western Canada coal could be only the trickle that may become a great river. Japanese manufactured products are clearly going to offer Canadian producers increasingly fierce competition to home markets and abroad. Do our tariff planners and those who set policies of economic growth take this fully into consideration? There has been much talk about the growing importance to Canada of the so-called Pacific rim. As a special report on Japan by John Schreiner in The Financial Post shows, the talk is fast giving way to challenging reality.

A traveller in the Southern mountains saw an old man sitting at a cabin door and asked: "Have you lived here all your life?"

"Not yet," was the reply.

Legal says good-bye to Fathers Martineau and Simard

A farewell evening organized by the parish council for Father Jean-Marie Martineau and Father Rosario Simard attracted 275 persons to the community centre on Sunday evening.

Father Martineau returned last Thursday after spending six weeks in Europe accompanied by Father Primeau from Morinville.

Father Martineau will now be pastor of St. Paul and Father Simard will be at the Youth Residence in St. Paul also.

Red Krauskopf was master of ceremonies and Joseph Nault deputy mayor, spoke on behalf of the village. There was a variety program and spokesman for the various organizations expressed their feelings on behalf of their members and presented the fathers with a token of appreciation.

They were: Mrs. Irene Maurier, president of Les Femmes Chretiennes; Mrs. Barry, president of the CWL; and Rene Maurier, Grand Knight. Mr. Frank Laberge spoke on behalf of the recreation board and addresses were read by the president of the parish council, John Cornelius, and the French address was read by Mrs. Jeanne Maurier.

Real Champagne presented the honored guests with each a guest book signed by all the well wishers.

Both fathers replied and cut the cake made for the occasion. Everyone enjoyed coffee, kool aid, donuts and cake to end this memorable evening.

Courses for sewers and weight-watchers

Mrs. Pat Prymak, Legal home economist is offering two courses to those interested in sewing or losing weight.

Basic, intermediate and advanced sewing classes are available. The pre-registration meeting will be held at the recreation centre at 4 p.m. on October 6, when ladies attending are asked to bring a tape measure.

For further information please contact Mary Quaghebeur, phone 598-2287; Madeline Cornelis, 598-2292 or Simone Holzer, 598-2484.

The keep fit weight reduction course is in six, eight or 12 bi-monthly sessions, which include: exercise period; nutrition facts; menu planning for weight watchers and families, and the principles of weight reduction.

Anyone interested in this course should contact Mrs. R. Holzer, 598-2484, or Mrs. Mary Quaghebeur 598-2287.

Legal Locals

We would like to extend a special welcome to these families in our community:

Mr. and Mrs. Alvin Flohr and family, the new manager of the liquor store, residing in Mr. Lavoie's house. Taking residence in Mrs. Terry Leguerrier's house are Mr. and Mrs. William Roulston and family. Occupying Mr. Leon Brisson's home are Mr. and Mrs. Bill Golden and family. Mr. and Mrs. Walter Enright and family have moved into Mrs. Deslaurier's house while Mr. and Mrs. Norman Reade are occupying the former Gaston Prefontaine residence. Mr. and Mrs. Art Sutherfield purchased A. Ouelette's property, and Mr. and Mrs. Marcial Caouette have moved to the trailer court.

Expressions of sympathy are extended to Sister Blanchette, who is mourning the loss of her sister Mrs. Bernatchaz, and to Mrs. Eloie Proulx who attended her sister's funeral in Montreal recently.

All parents are invited to attend adult catechism classes that will start on Oct. 15.

Mrs. Phyllis Gescke from Vancouver, B.C., was visiting her brother Mr. Frank Prefontaine and a number of relatives in the community last weekend.

Legal Grad

Legal School's graduation ceremony of the 1969-70 graduation class will be held on October 24, with mass at 4 p.m. in St. Emile Church. This will be followed by a banquet at Legal Community Hall at 5 p.m. with presentations in the school gymnasium at 6:45 p.m. and a dance at 9 p.m., also at the school.

Tickets for the banquet are obtainable at the school and many Legal business places. The deadline for the purchasing of these tickets is October 17, and students, parents and teachers are asked to come and make this graduation a memorable one.

Red Cross

The Morinville district Red Cross financial campaign will begin October 1, Captains in charge of local drive are:

Morinville CWL - Mrs. Helen Rousseau; Morinville Lions - Lion Ray Stinston, Royal Bank; Les Femmes Chretiennes - Mrs. Solange Bachand; Morinville United Church Ladies Aid - Mrs. Borj Carlson; Business section of Morinville - chairman, Mrs. Rose Martel; treasurer - Mrs. Alice St. Germain.

Objective for the 1970 Red Cross campaign - $500 cash and 300 pints of blood at the Blood Clinic to be held in the Morinville Recreation Centre on October 28.

Stolen Bikes

Recently two bicycles were taken from the Yellow school in Morinville. One was a red Hiawatha, three-speed, brand new, owned by Rodney Bland of Morinville.

The other was a gold colored "Cobra" owned by little Rory Badrey of the Morinville Trailer Park. Both were Mustang type bikes.

The co-operation of the citizens of Morinville and district is requested for the return of these two bikes. Rewards will be paid for information or return of each bike.

Eddie Joyal off to Los Angeles

Eddie Joyal of St. Albert left for the Los Angeles Kings training camp to complete contract talks with manager/coach Larry Regan. Joyal was not to happy with his initial contract, and did not join the camp when it opened three weeks ago. He stayed at home while his lawyer continued negotiations.

Eddie graduated from the powerful Oil Kings to the Edmonton Flyers in 1960/61 season and scored 20 goals in his rookie year. His coach at that time was Bud Poile who is now general manager of the new Vancouver entry in the NHL.

Joyal's goal production in his second year of pro hockey soared to 37 plus an additional 10 in the playoffs which gained him a shot with Pittsburg in the American League. He managed to score 29 goals in just 54 games and this was good enough to warrant a try out with the Detroit Red Wings where he came up with two goals and eight assists in 14 games to end the 1962-63 season.

The following season Joyal got into 47 games and scored 10 goals and added seven assists. He also saw action with Pittsburg the same year and picked up six points in five games on an equal number of goals and assists.

He was traded with Lowell MacDonald, Larry Jeffery and Aut Erickson to Toronto Maple Leafs in May of 1965 for Andy Bathgate, Billy Harris and Garry Jarrett as Toronto coach Punch Imlach made a successful late season attempt to get into the Stanley Cup playoffs.

Toronto was not satisfied with Joyal's eight goals in 46 games the following year and shipped him off to their Central Pro League team at Tulsa where he became red hot and scored 32 goals in only 41 games.

The start of the 1966-67 season saw Joyal at Rochester in the American League where he again proved to be a trigger man - coming up with 32 goals and 51 assists for a fine seventh place finish in the league. He shared the club scoring leadership with veteran Dick Gamble while playing two games less.

With the coming of expansion in 1967-68 his excellent season with Rochester no doubt prompted Los Angeles to draft him in the third round. He responded with 23 goals and 34 assists to lead his club in scoring, and win him the Kings most valuable player award. He was also the second highest scorer in the Western Division.

His second year at LA saw his goal production soar to 33 and he picked up 19 assists to again lead his club in total points.

Last year Joyal suffered a serious leg injury which permitted him to skate in only 59 games and his points total lowered to 40 with 18 red lights.

The Gazette joins all of St. Albert in wishing a good year for the former "Mayor of St. Albert" (as Eddie was known in his hey dey) much success in the coming year.

Eddie Joyal

Arlene Vest Feted at Shower

On Sept. 13 a miscellaneous shower was held in Calahoo church basement to honor Miss Arlene Vest, daughter of Mr. Hans and the late Betty Vest of Calahoo.

The hall was decorated with pink and white streamers and the table had a bouquet on it. Gamas were played. Arlene was asked to come to the centre and was blindfolded and then with oven mitts on she put on a nylon wich had three knots in it. All she said was taped and then played back to her. This was a real surprise to her.

Next the gifts were loaded in a cute two wheeled pig painted green, were handed to her and her attendants to be opened and admired by all 50 friends and relatives there.

Seated at the decorated table of honor were, from left to right: Granny Vest, Faye Magill, Colleen Vest, Arlene, Diane Salyzyn, the groom's mother, Mrs. Salyzyn and Granny Esslinger. Arlene graciously thanked everyone.

A lunch and visiting ended the afternoon.

Visitors to Calahoo

There were many visitors visiting friends and relatives in this area.

Adelard and Melina Paquette had visitors from California. They also visited Leo and Evelyn Paquette.

Ferdinand and Elsa Lischewski had many relatives visiting this year. The most distant one was Mrs. Gloria Aleva, from Connecticut USA. Mr. and Mrs. Robert Bittner from British Columbia. Robert is Elsa's brother.

Mrs. Barbara Belsher from Victoria, B.C., came to visit Gordon and Emelia Schmermund. Mrs. Melvin (Wally) Hanna from Fenn, Alberta, also came to Gordon's.

Mr. and Mrs. Joe Grosk former Green Willow residents came to visit the Werner Christen's and Mr. Joe Freitag this summer. Mr. and Mrs. Christen's son, Walter, came home for his holidays from Vancouver, B.C.

Mr. and Mrs. Karl Pischinger from Costa Mesa, California came to visit the Peter McLeods. Karl and Liz are cousins. Mrs. Bertha Chapman (Liz's sister) was also out at the same time to visit for a week. Together we went to Peavine, Alberta, to visit brother Felix Pischinger.

Bill and Elsie L'Hirondelle (nee Rothweiler) and children - Wanda, Colleen, Wieda and Merle were home for the holidays and have returned to England, where Bill works.

George and Mary Rothweiler were also home for a visit from Tehran, Iran, and are now in Saudia Arabia.

Mr. and Mrs. Eugene Hofly from B.C. were recent visitors at the Karl Bergstreiser home.

Mrs. Marcel Kerckhof and son Louis went to Belgium for a visit this summer and Theresa's father came back here for a visit.

Mr. and Mrs. Herb Bergstreiser motored to Banff and Jasper and enjoyed their trip.

Mr. and Mrs. F. Lischewski's sons, Erwin and Willie, and their families from Jasper were home for a visit.

Mr. Joe Freitag's nephew Willie Lummer was a visitor here from Germany He came to see his brother Hans and Marianne and boys living in Edmonton.

Mr. and Mrs. Peter McLeod have chosen to donate the body of their deceased retarded son Raymond Albert, to the University of Alberta for research.

Raymond passed away - Aug. 25 from a congested lung infection at Deerhome in Red Deer, Alberta. He was 28 years and 10 months old.

The Calahoo Sports Association have been really active this year. The men in league ball games and they've had pot luck suppers ball tournaments and barbecues.

The day he dug a 4 lb. potato

When Mr. Ferd Teilleur retired from his Morinville farm and moved to Edmonton it was to a house with a garden of 25 square feet. He expected no great agricultural achievements in such a limited acreage, but, with farming in his blood, he tilled, watered and cared for the ground in much the same way as he had always done. And out of his tiny potato plot in its corner by the garage came a four-pound beauty - not without some effort on 73 year old Mr. Teilleur's part.

Born into a successful potato-raising family -- Mr. Teilleur's father used to win regular first prizes for his potatoes at Morinville's agricultural fair -- Mr. Teilleur's recipe for the king size variety vegetable is, first and foremost, a good seed. This one was a northland potato. Then fertilizer, manure, water when the ground is dry and regular tilling to keep the ground clear of weeds.

But even a man with fingers as green as those of Mr. Teilleur, admits he cannot produce a giant every time. "It's largely a matter of luck."

Making the punishment fit the crime

Standing before her accuser, Dennis Dalphond, stood the defendant, Nancy Rubitak. The charge - speaking well of the principal. Counsel for the defence, Pat Gleason, entered a plea of insanity, which Judge Gerald Longpre upheld, and amused watchers in the court's public gallery settled down to view the next miscarriage of justice.

It all happened at St. Albert High School's Kangaroo Court last Thursday, when 12 good boys and girls and true returned countless verdicts - most of them guilty.

There was the shocking case of Tim O'Neill, charged with exceeding the hall 40 miles per hour speed limit on his crutches. Tim was sentenced to a pie in the face.

At the back of the court, boy met girl and didn't realize it, as Frosh in garb of the opposite sex added color to the proceedings.

An hour of competitions in the morning saw Diane Sheehan the winner of the beautiful legs contest, and at 2 p.m. accused and accusers alike were acquitted to prepare themselves for the evening's dance at the Club Mocombo.

Little Things Add Up

Who is to measure the good that is done as thousands of people experience a lift of the spirit through countryside views on warm September days? Local golfers can enjoy many glorious views as they play around, and may the Sturgeon Valley course never be swallowed by a concrete jungle.

CHEVY'S NEW LITTLE CAR IS OPEN FOR BUSINESS.

Vega is here at last.

Now you can buy what we modestly believe is the best little car in the world.

It does everything well.

Everything? Everything.

Vega moves well, stops well, steers well, rides well, handles well, responds well, passes well, merges well, travels well, parks well, sits well, wears well, and is priced well under what you'd expect to pay for such a totally talented car.

In highway tests, Vega has been getting around 30 miles to the gallon. Yet unlike your average little car, ours steps right out when you step on the gas.

The standard engine is a specially designed 140 cubic inch overhead cam four with a lightweight aluminum alloy block. You can order the optional engine which has a 2-barrel carburetor and delivers 20 extra horsepower. The brakes are something too. Discs are standard in the front, new-type drums in the rear.

The wheelbase is 97 inches. Width: nearly 5½ nice, stable feet. Weight: 2,190 lbs. for the standard sedan. Engine displacement: 140 cubic inches; horsepower: 90 SAE gross, 80 SAE net. Seating Capacity: four adults. Turning circle: 33 feet, curb to curb.

What it all adds up to is a lot of little car.

Three cars and a truck.

Vega turned out so well that we couldn't turn out just one. So we made four: a sporty little hatchback coupe shown open and closed in the foreground below; the sedan, on the right; the Kammback wagon, on the left; and the little panel express truck, in the rear.

You have a choice of 10 outside and 5 inside colors plus a pretty fair selection of available options.

September 28th is Opening Day.

All Chevrolet dealers across Canada are handling the Vega, so you shouldn't have to go very far to find out more about it.

Chevy's new little car is open for business. Look into it.

New school opened at Alexander Reserve

ALEXANDER RESERVE: On September 18 a new modern primary school with playschool facilities was formally opened in a ribbon cutting ceremony performed by Mr. D. E. Daniels, superintendent of education, department of Indian Affairs; Rev. Father Omer Langevin OMI, resident missionary; Mr. Tony Arcand, chairman of the local school board and Rev. Sister Louise McQuirre.

Special guests included Mr Ivan Kirby, district supervisory for the department of Indian Affairs; Mr. L. Vogell assistant superintendent of education; Mr. H. Murray, superintendent of Indian development; Mr. E. Alberts adult education and Mr. Murrah Sutherland, regional office representative.

Also attending were Mrs. E. Lunde, student councillor, Mrs. Julia Karens, student replacement officer; Miss J. Kelly, field nurse; Mr. Larry Ward, regional office and Mr. and Mrs. B. Babin, resident school principal. Mr. Pat Auigibelle, deputy chairman of the local Indian council, represented Chief Alex Auigibelle who is a patient in the Camsell Hospital. Mrs. Pat Auigibelle was present and Mrs. P. Jenson, Miss E. Tobias, Mrs D. Pollock, Mrs. M. Arcand, Mrs. E. Arcand of the teaching staff. Rev. Father Leo Rheaume, chaplain from the Camsell Indian hospital in Edmonton; Mr. and Mrs. Narcisse Paul, and many members of the local families from the reserve were on hand for the occasion.

After the formal opening ceremony, Rev. Father Langevin blessed the school and a tour of the new building followed. The school has three large well lighted classrooms, modern facilities throughout including gas and electricity, a playschool room, fully furnished and a large auditorium. Some 100 guests were served a banquet, cooked and served by the ladies of the reserve.

Mr. Tony Arcand 9as master of ceremonies and after introducing all the guests, called on the speaker Mr. Dan Daniels. His subject was "The Benefits of Education."

"Education never stops at one point in one's life" said Mr. Daniels. He praised the work being done by the local education council comprising Tony Arcand, Narcisse Paul, Fred Arcand, and Mrs. Beatrice Arcand, secretary.

Mr. Daniels told the people of the reserve that this school should not be considered a place made of bricks, wood and mortar, to learn the white man's law but, a place to enrich and develop their own Cree culture. He told the native people that they should be proud of being Cree Indian, and should develop their culture, and give other people an opportunity to learn their language and culture.

"You hear a great deal about bilingualism in Canada today" went on the speaker "you, members of the Cree, should make use of these new facilities to promote the growth and establish a firm foundation of your own Indian culture. Not only during the school day, but 12 months of the year, seven days a week, on your own land. Be bilingual, learn English well, and keep your own language and rich heritage for yourselves and your children."

Mr. Daniels told an old Indian folklore story about an old chief being tested by a young brave who had a young bird cupped in his hands, about wisdom. He wanted the chief to tell him if the hidden bird in his cupped hands was alive or dead:

"I cannot tell you, said the old chief, because if the bird is alive you will crush it and it will be dead. If I say it is dead you will open your hands and let it fly away. You see my son, the life of this bird is in your hands, not mine."

The same applies to these new learning facilities, the tools are here, what is accomplished here depends on the use made of them, concluded Mr. Daniels.

Rev. Leo Rheaume OMI, spoke on the theological definition of Man and his ultimate goal in life. "A sound mind in a sound body is essential for success, but one must always remember that God made Man to his image, and we all must strive to be worthy of that image, said Father Rheaume. Several other officials were invited to express their congratulations.

A vote of thanks was expressed for the hospitality and banquet served. The evening concluded by the group touring the new school and members of the Indian council and school committee hosting the evening.

MR. D. E. DANIELS superintendent of education speaks to the crowd at the official opening of the new primary school on the Alexander Reserve.

Canadian Graduates in Britain

Thirty-two Canadian graduates are among more than 200 students who have arrived in Britain to take up 1970 awards offered by the Commonwealth Scholarship Commission in the United Kingdom.

The new scholars, who will study for periods of up to three years, join 300 students already studying at British universities under the Commonwealth Scholarship scheme. They were chosen from candidates recommended by their governments.

Last Tuesday the new arrivals attended a government reception at Lancaster House, London, part of a welcome program organized for them by the British Council.

Computer Boom

The number of computers installed in Canada reached 2,700 as of May 1, up to 32.5 per cent from a year earlier. Annual revenue for the computer manufacturers grew 27.6 per cent, to an estimated $303 million.

These and other indications of booming growth in the electronic data processing industry, are contained in the 1970 computer census, published by the Canadian Information Processing Society.

shower

There was a shower held at Liz McLeod's for Miss Valerie DeRudder, Arthur Lischewski's bride-to-be. This was a mixed shower so gentlemen were also present and all 41 people, including friends, neighbors and relatives, had a thoroughly enjoyable evening.

NOTICE

Notice is hereby given that the council of the Town of St. Albert deem it advisable to close and sell that portion of the walkway between 42 Gresham Boulevard and 44 Gresham Boulevard.

Section 175 of the Municipal Government Act, Chapter 68, 1968 as amended provides that council, subject to the approval of the Minister of Highways, may pass a bylaw for this purpose.

Bylaw #30/70 has been prepared and will be presented to council on October 26, 1970 for first and second reading and will then be submitted to the Minister of Highways for his approval prior to the final passing thereof.

This notice shall be published each week for two consecutive weeks, the last of which will be on October 7, 1970.

Before the passing of this bylaw, a person who claims that land in which he is interested as owner, occupier or otherwise will be affected prejudicially by the bylaw and who petitions to be heard, shall be afforded the opportunity to be heard either by himself or by his agent in accordance with the said act.

Any person owning or otherwise interested in land that sustains damage through the closing of the aforementioned walkway shall be compensated for such damages in accordance with the said act.

Written petitions to the proposed bylaw will be received by the Secretary-Treasurer at his office until October 22, 1970.

D. B. O'Connell,
Secretary-Treasurer.

"Operation Edith"

I hereby declare Wednesday, October 7, 1970 as "Operation EDITH Day" in the Town of St. Albert.

"EDITH" stands for exit drills in the home - a plan for reducing loss of life in the home.

I would ask all residents to carefully note the following questions.

Do you know
1. How to test a door before opening it to make sure it is safe on the other side?
2. The safest way to move through a smoke-filled room?
3. How to adequately coach children on the procedure to follow in the event of fire?
4. About a home fire alarm signal?
5. The best procedure for escaping from a second-floor window?
6. Where to keep gasoline?
7. How to place a fire call?

Your fire chief and his able men are at your service. The time is opportune. I urge you to call them now at 599-7021. The information you obtain today may save your life tomorrow.

MAYOR R. M. GIBBON.

Public Notice

By the Board of Trustees of The

St. Albert Protestant Separate School Dist. No. 6

of the Province of Alberta.

WHEREAS it is deemed expedient by the Board of Trustees of the St. Albert Protestant Separate School District No. 6, of the Province of Alberta, that the sum of - Thirty-six thousand and ninety-nine dollars and nineteen cents ($36,099.19) should be borrowed on the security of the said District by issue of debentures repayable to the bearer in 25 consecutive annual instalments with interest at the rate of not more than nine per cent (9%) per annum for the following purposes, namely:

Providing furniture and equipment for the following schools:

(a) Sir Alexander Mackenzie	$ 3691.00
(b) Paul Kane High School	$12714.83
(c) Robert Rundle School	$ 3211.37
(d) District (all schools)	$ 7689.34
(e) Leo Nickerson School	$ 5736.80
(f) Sir George Simpson	$ 3055.85

THEREFORE, notice is hereby given by the Board of the St. Albert Protestant Separate School District that unless a poll of the electors of the said School District for and against the said debenture loan is demanded, as provided by Section 104 of The School Act, 1970, the said board will apply to the Local Authorities Board for authority to borrow the said sum by issue of debentures.

Of which all persons interested are hereby notified, and they are required to govern themselves accordingly.

C. E. Schroder, (Chairman).

Dated at St. Albert
this 10 day of Sept. 1970.

INSTRUCTIONS TO ELECTORS PETITIONING FOR A VOTE ON A MONEY BYLAW IN A SCHOOL DISTRICT DIVISION - (Sections 2 (e), 3 and 104 - The School Act, 1970)

"Elector" for the purposes of petitioning for a vote on a debenture bylaw means a person:-

(1) 19 years of age or older,
(2) who is a Canadian citizen or British subject, and
(3) resident, in a district or division for at least the 12 months immediately preceding the day on which the petition is presented;

A poll respecting the aforenoted borrowing may be demanded in a School District by preparing and submitting to the School Board a petition for a vote in accordance with the provisions of Sections 2(e), 3 and 104 of The School Act, 1970.

The petition must be signed by at least

(a) 2 per cent of the electors in a district or division having 10,000 electors or more or
(b) 5 per cent of the electors in a district or division having less than 10,000 but 5,000 electors or more, or
(c) 10 per cent of the electors in a district or division having less than 5,000 electors but 500 electors or more, or
(d) 15 per cent of the electors in a district or division having less than 500 electors,

and be filed with the Board within 15 days of the last publication in a newspaper of the public notice of the proposed debenture borrowing.

Private firms make camping easy

Provincial and federal governments have provided most of Canada's best camping sites in parks and forest lands. But governments now find they can't handle the ever-growing campsite demand - and private enterprise is moving into Canadian campgrounds in a big way. Kampgrounds of America Inc. (KOA), the largest franchise system of privately owned campgrounds in the United States has just opened three Canadian units. It has another under construction and plans 100 more campgrounds in Canada in the next three-four years. This means daily accommodation for at least 10,000 campers.

"Roughing it," is out of style. A visitor to KOA's recently opened Sarnia, Ont., campground can plug his camper into the camp's electrical system, take a shower at the central lodge, drop his dirty clothes at the coin laundry, and pick up food at the camp's store.

'Cold Duck'

What an absurd, ridiculous, inappropriate, dumb name for a great new sparkling wine.

Actually, there is a reason for it. The name Cold Duck is a literal translation of a German pun. At the end of a party, guests would mix left-over wines together . . . calling the results "Kalte Ende", or "cold ends". Then the last word "Ende" was jokingly changed to "Ente", meaning literally "duck".

But there's no joking about the taste of Andrés Cold Duck wine. It's a tingling, unstuffy blend of Champagne and fine sparkling Burgundy. It maketh merry. It's new from Andrés. You'll like it.

ANDRÉS COLD DUCK . . . *a blend of Champagne and fine sparkling Burgundy.*

Andrés Fine Wines
Andrés Wines (Alberta) Ltd.

Irish Moss

You may never have heard of Irish moss, but Nova Scotia fishermen are now said to be making more money from it than from lobster fishing. With Nova Scotia and Prince Edward Island responsible for the largest harvests, the three Maritime provinces together account for 70 - 80 per cent of the entire world's production, and it means an annual income of $2.2 million to fishermen. So what does anybody do with Irish moss? It is processed into a powder called caragenan, which is an ingredient in ice cream, chocolate milk and pharmaceutical products

Joyce Stedelbauer obviously enjoys her new volunteer job conducting a storyhour for five-year-olds at the library. And one had only to look at the spellbound faces of the youngsters to know what they think of the idea. In all 24 children were enrolled the first day, with bookworm nametags to add to the fun. To add variety everybody had a sheet of paper and got to do a drawing illustrating a story. A bit of exercise was also worked in.

First young "Bookworms" attend Library Story-hour

Twenty-three young faces light up as Mrs. Joyce Stedelbauer asks a group of five-year-olds for their favorite flavor of ice-cream soda.

The children, who stared transfixed until our camera started clicking, were listening to the first of the Bookworms story hours, taking place at St. Albert Public Library on Tuesday morning at 10 o'clock.

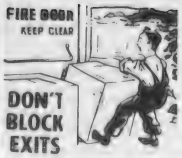
The book pages, supported by Mrs. Stedelbauer and a young helper, faced the children as the story of "Lucy McLockett," a little girl who was always losing things, was told.

"Now stand up and stretch then bend down and touch your shoes to make sure you didn't lose them on the way here," suggested Mrs. Stedelbauer. "Has everybody got everything? Your coats and jackets?"

"I didn't have a jacket," said one puzzled child.

"Well never mind. I think we've just time for another story."

Mrs. Stedelbauer, who holds a university degree in English literature and writing has undertaken to conduct a weekly storyhour at the St. Albert Library for five-year-olds. She was assisted yesterday by Mrs. Jeanette Symbaluk and had many offers of assistance from mothers on a take-turn basis.



Town of St. Albert

Municipal Elections 1970

Public Notice is hereby given that polling will take place for the election of COUNCILLORS on WEDNESDAY, the 14th day of OCTOBER, 1970 from ten o'clock in the forenoon until eight o'clock in the afternoon at the following places:

Father Jan School
Community Hall
Sir Alexander Mackenzie School
Paul Kane High School
Vital Grandin School
Town Hall
Clubhouse
Fire Hall
Sir George Simpson School
Albert Lacombe School
Youville Home

and at the same place, time and date above mentioned, polling for members of the board of the ST. ALBERT SCHOOL DISTRICT #3, ST. ALBERT SCHOOL DISTRICT #6 will take place.

And that I will at the TOWN HALL on FRIDAY, the 16th day of OCTOBER 1970 at 12:00 o'clock noon sum up the votes and declare the result of the election.

G. P. Moore,
Returning Officer.

Do You Cheat?

What do you do about fuses? Do you cheat? Use a 30 instead of a 15, even some foil when there's no fuse handy! That's a smart idea, very smart, you'll have a dandy fire. Please remember to use only 15 ampere fuses in ordinary lighting circuits.

DON'T fight a big fire by yourself.

The ancient Egyptians considered cats sacred. An Egyptian who harmed a cat was punished, and the punishment for killing a cat was death.

St. Albert High

By Laura Finkbeiner

This is the first in a series of articles for the "Gazette" by Laura Finkbeiner, a grade 12 pupil at St. Albert High School.

JUNIOR HIGH FOOTBALL

Congratulations to the junior high boys on their victory over Sir George Simpson Junior High. The score was 28 - 0.

Touchdowns were scored by Dale St. Hilaire, Mike McLaughlin, Claude Regimbald and Robert LeBlanc. Paul Collins converted all four touchdowns. Randy Telford was defensive star with two interceptions.

GRADUATION REMINDER

Mass at 4 p.m. in the St. Albert Parish Church.

Graduation exercises at 5:15 p.m. in the high school gymnasium.

Banquet - 8:15 p.m. in the Centennial Banquet Room - Bonaventure Motor Hotel.

Dance - 10 p.m. at the Bonaventure - The Satellites will be playing.

YEARBOOK

If you enjoy drive-in theatres and like to get a bargain you will be interested in a project sponsored by the Yearbook Club.

A new Twin Theatre will be opening soon near St. Albert. As a promotion drive the theatre is offering a promotion drive, the theatre limited number of admission tickets for sale at a reduced rate. (Regular prices: adults $1.75, students $1.50). The Yearbook Club will be selling tickets at the reduced price of $1.

The tickets will admit the holder from Nov. 1, 1970 to March 1, 1971 (car warmer provided) including weekends. The only exception is they will not be accepted on special holiday features.

Watch for the ticket booth which will soon be set up in the hall.

CURLING

A list is posted on the Student Activities Board for all grade 10, 11 and 12 students interested in curling. Curling will start in approximately two weeks. The cost will be $10 for the year. All beginners are welcome to curl. All names should be in by the end of the week.

CROSS COUNTRY

More senior and junior high students are needed to complete the cross-country teams. Although ineligible for provincial competition, the juniors can run in two meets this year. The Cashe on Oct. 3 and the Zone competition Oct. 17. The provincial meet will be held Oct. 24. If you are interested see Mr. Kupsch as soon as possible.

FROSH DAY

The students who volunteered to organize and carry out the frosh day activities did a very commendable job on short notice and are to be congratulated.

Bowling news

Sat. 3 p.m. Girls single 119, Fredia Calahaisn; triple 162, Fredia Calahaisn. Boys single 90, Rodney Lyle; triple 135, Dean Bittman.

Prevent Fires in your Home

Operation 'Edith' is going into action in Fire Prevention Week, October 4 - 10.

It is a do-it-yourself fire protection plan, aimed to teach people the value of being prepared for fire in the home.

Edith stands for exit drill in the home.

Operation Edith is felt to be vital because of the number of deaths that occur in Alberta each year in apartments and houses. So far this year there have been 32, most of which could have been prevented.

To help the plan for Operation Edith, here are some pointers:

1. Carefully figure out at least two routes to the outside from every room in the house, especially bedrooms. Allow for blocking of stairways and halls by fire.

2. Sleep with bedroom doors closed because closed doors hold back flames and smoke allowing more time for escape. A window may be the only alternative route, so make sure they are large enough to get through.

3. Pick an outside assembly point where the family will meet for roll call, and be sure everyone understands the house must not be re-entered for any purpose.

4. Know how to call your fire department.

Lions Band Recruitment

The Lions band is off to a good start this season with enrollment figures topping the hundred mark.

The band, which was only in the planning stages in May, held its first session last Tuesday, and is hoping to perform in concerts and parades by the spring.

A unique feature of the Lions band is that it holds beginners' classes for both juniors and seniors.

Juniors, 12 - 15, meet at Leo Nickerson School at 4:10 p.m. and seniors at 6:30 p.m. So far there are 60 members of the junior band, with 20 beginners and several applicants. The seniors have 25 members, with room for 35.

All types of instruments, which are loaned by the town's schools, are available on a rental basis. Anyone requiring more information should contact Mrs. Byl, the acting secretary, at -- 599-4980.

Calahoo in review

Members of the Alexander Reserve school committee are happy with the new school. From left are: Tony Arcand, Fred Arcand, Beatrice Arcand and Narcisse Paul.
Vic Post Photo.

From exterior view of the newly-opened school on Alexander Reserve, a completely modern building housing three classrooms, a playschool room and a large auditorium. Equipment and facilities are extremely functional and up-to-date.
Vic Post Photo.

Pete, Liz and daughter Sharon McLeod motored to Edmonton on Sept. 12 to help Pete's sister, Ruth and Bob Royer, celebrate their 25th wedding anniversary.

The party was held in the rumpus room of George and Betty McLeod's home. Douglas and his bride, Lillian, were also present as were many relatives and friends.

Calahoo saw many changes in resident this year. Norman and Flete Anderson sold their "Calahoo Trading" store and moved to Winfield, B.C. There was a farewell party dance held in Stony Plain Community Hall to bid them bon voyage and I'm told they are happy there and so far have had many visitors.

Mr. and Mrs. John McDonald now reside in Stony Plain. John was our pool elevator man for many years and there was a farewell party held in the church basement to honor them.

Three new homes are in Calahoo hamlet. Mr. and Mrs Bernie Ross and family are in their new home and there are two new dwellings on the property where Bella Kramps (who is now in the city) used to live. These were constructed by our MM store owner, Mr. Walter Victoor.

Mr. and Mrs. Gerald (Cactus) McDonald are living in the former John Matkea place.

Mr. and Mrs. Larry Custnee (Anna Schafers) reside in what was Mrs. Letendre's home.

We welcome the newcomers to Calahoo, Mrs. Mary Hewitt and her children (her husband is employed up north) who live in the Norman Anderson residence, and the family, who live in the school.

GOOD NEWS

We have 2 - 3 - 4 bedroom homes in all price range. Also new side-by-side duplex. Also farms - acreages. If you are looking for a good deal — please call

Anything goes in fashions

Everything about autumn fashion shows shouts "color." Whether the clothes are reflecting the usual autumnal shades of "mellow fruitfulness" or breaking away to garish plums and purples, the impact on the eye is one of color.

But this year the concern is not so much with color as with another worrying clothing factor. Its length.

At the St. Albert United Church Ladies' Fall fashion show, held at the Community Hall last Tuesday, models demonstrated length in Simpson-Sears latest men's and women's fashions.

With ladies' midis, minis and maxis and gents' coats at varying lengths, the models effectively demonstrated this autumnals fashion maxim "anything goes."

Anything goes in the world of trousers, too, where ladies dress in smart pant suits for the office, and men in fashionable jump suits for social wear.

People once thought that the moon's surface was so smooth and crystalline that like a mirror it reflected the continents and seas of earth. Actually, the moon's face is incredibly rough, National Geographic says.

Alberta's Great Moments

Starring the famous players from your lovable Lethbridge label

Oil discovered at Leduc!

When that crazy cast of characters from the Lethbridge label go to work on Alberta's history, anything can happen. Well, almost anything. They'll never change the great traditional flavour of Alberta's great traditional beer: Lethbridge Pilsner. Here's real beer taste that's part of our pioneering past. A staunch favourite for nearly half-a-hundred years. So next time call for Lethbridge Pil. Enjoy your own Great Moments with Alberta's *original* Pilsner.

Pilsner BEER

TRADITION YOU CAN TASTE · FROM THE HOUSE OF LETHBRIDGE

LOST AND FOUND

A box of articles lost and found at the pool during the season just past is now in the office of the department of recreation. The items will be disposed of if not claimed within the next week.

RECREATION Hi-Lites

BADMINTON

The Badminton Club will open the 1970-71 season on Thursday, October 1 at 8 p.m. in Vital Grandin School.

The season will run from October, 1970 till April, 1971 with play on Tuesdays starting at 7:45 p.m. and Thursdays at 8 p.m.

New members will be very welcome. The fees are $7.50 for adults and $5 for juniors (under 18) and free instruction will be available at all levels (beginners, intermediate and advanced) beginning around the middle of October. Birds are supplied by the club but players must supply their own rackets. Running shoes must be worn. For further information call Judy Wood at 599-8696.

KEEP FIT

A keep fit class for ladies will be arranged if sufficient interest is shown. Please phone the department of recreation at 599-6601.

YOGA

A ten-week course in yoga will start in Leo Nickerson School on Friday, October 2 at 7 p.m.

The classes will be conducted by Mrs. Frieda Khattab who is one of the best qualified exponents of yoga in Canada. Her experience and enthusiasm for her subject make her second to none as a teacher.

Mrs. Khattab is a physical education graduate and has 28 years experience in yoga. She conducted a yoga school in Egypt for 12 years before coming to Canada in 1967. Since then she has been involved with the YWCA the Edmonton Gym Club and other groups which sponsor yoga.

Anyone interested in the classes in Leo Nickerson School should phone Mrs. Betty Daley at 599-3937 for further information.

SPORTS CLUB

The St. Albert Sports Club will hold its first activity night in Father Jan School on October 1 at 8 p.m.

For information about this club phone Clay Cutshaw at 599-3415.

SQUARE DANCING

Anyone interested in the beginners' class which is being held in Robert Rundle School on Tuesday evenings should phone Mrs. Johnston at 599-8912.

SWEDISH GYM

Swedish gym classes will start in Leo Nickerson school on Thursday, Oct. 1. The 6 - 9's meet at 6:30 p.m.; the over 10's at 7:15 p.m. and ladies at 8 p.m. Watch for further announcements about YMCA programs which are due to start shortly.

The Edmonton Speedskating Club in conjunction with the parks and recreation department are setting up an indoor speedskating training program for all ages starting October 22, at Kenilworth Arena. Ice time between 4 - 6 p.m. will be available twice a week.

A speedskating derby will be held Sunday, October 18 from 2 - 4 p.m. at Coronation Arena with prizes for all age groups. Pee wee 6 - 7; bantam 8 - 9; midget 10 - 11; juvenile 12 - 13; junior 14 - 15; intermediate 16 - 17; and senior 18 and over.

Entry forms can be picked up on the 4th floor at Edmonton City Hall. The program is to revive indoor speedskating for Edmonton and surrounding area.

For further information call 435-6467.

False Pretences

A man was given one year's suspended prison sentence at St. Albert Magistrates' Court on Wednesday when he pleaded guilty to a charge of false pretences.

Otto Pretlazaff of RR4 Edmonton admitted to writing cheques when he had no money in the bank.

"Bargain" Cash for landlords

When the Ontario government outlawed security deposits that many apartment landlords had been collecting and using as a cheap source of capital (some big operators got the use of $500,000 or more this way for six per cent or less), it looked like the death of the goose that laid the golden egg. But now a good many landlords are making new use of another old dodge: requiring each new tenant to pay not only the first month's rent in advance but the last month's rent as well. Though the landlord can't make security claims against this money and are paying six per cent for its use, some tenants feel it's not much different from the old security deposit. In any case, considering today's money market, the whole arrangement isn't a bad bargain for the landlords.

London Spring Fashion Show

Britain's fashion industry is preparing for an influx of overseas buyers in October, when women's and children's wear manufacturers combine to show their spring 1971 collections in a five-day London fashion season.

The industry's collections will be presented in six specialized exhibitions to be staged simultaneously from October 19 to 23 in different parts of London.

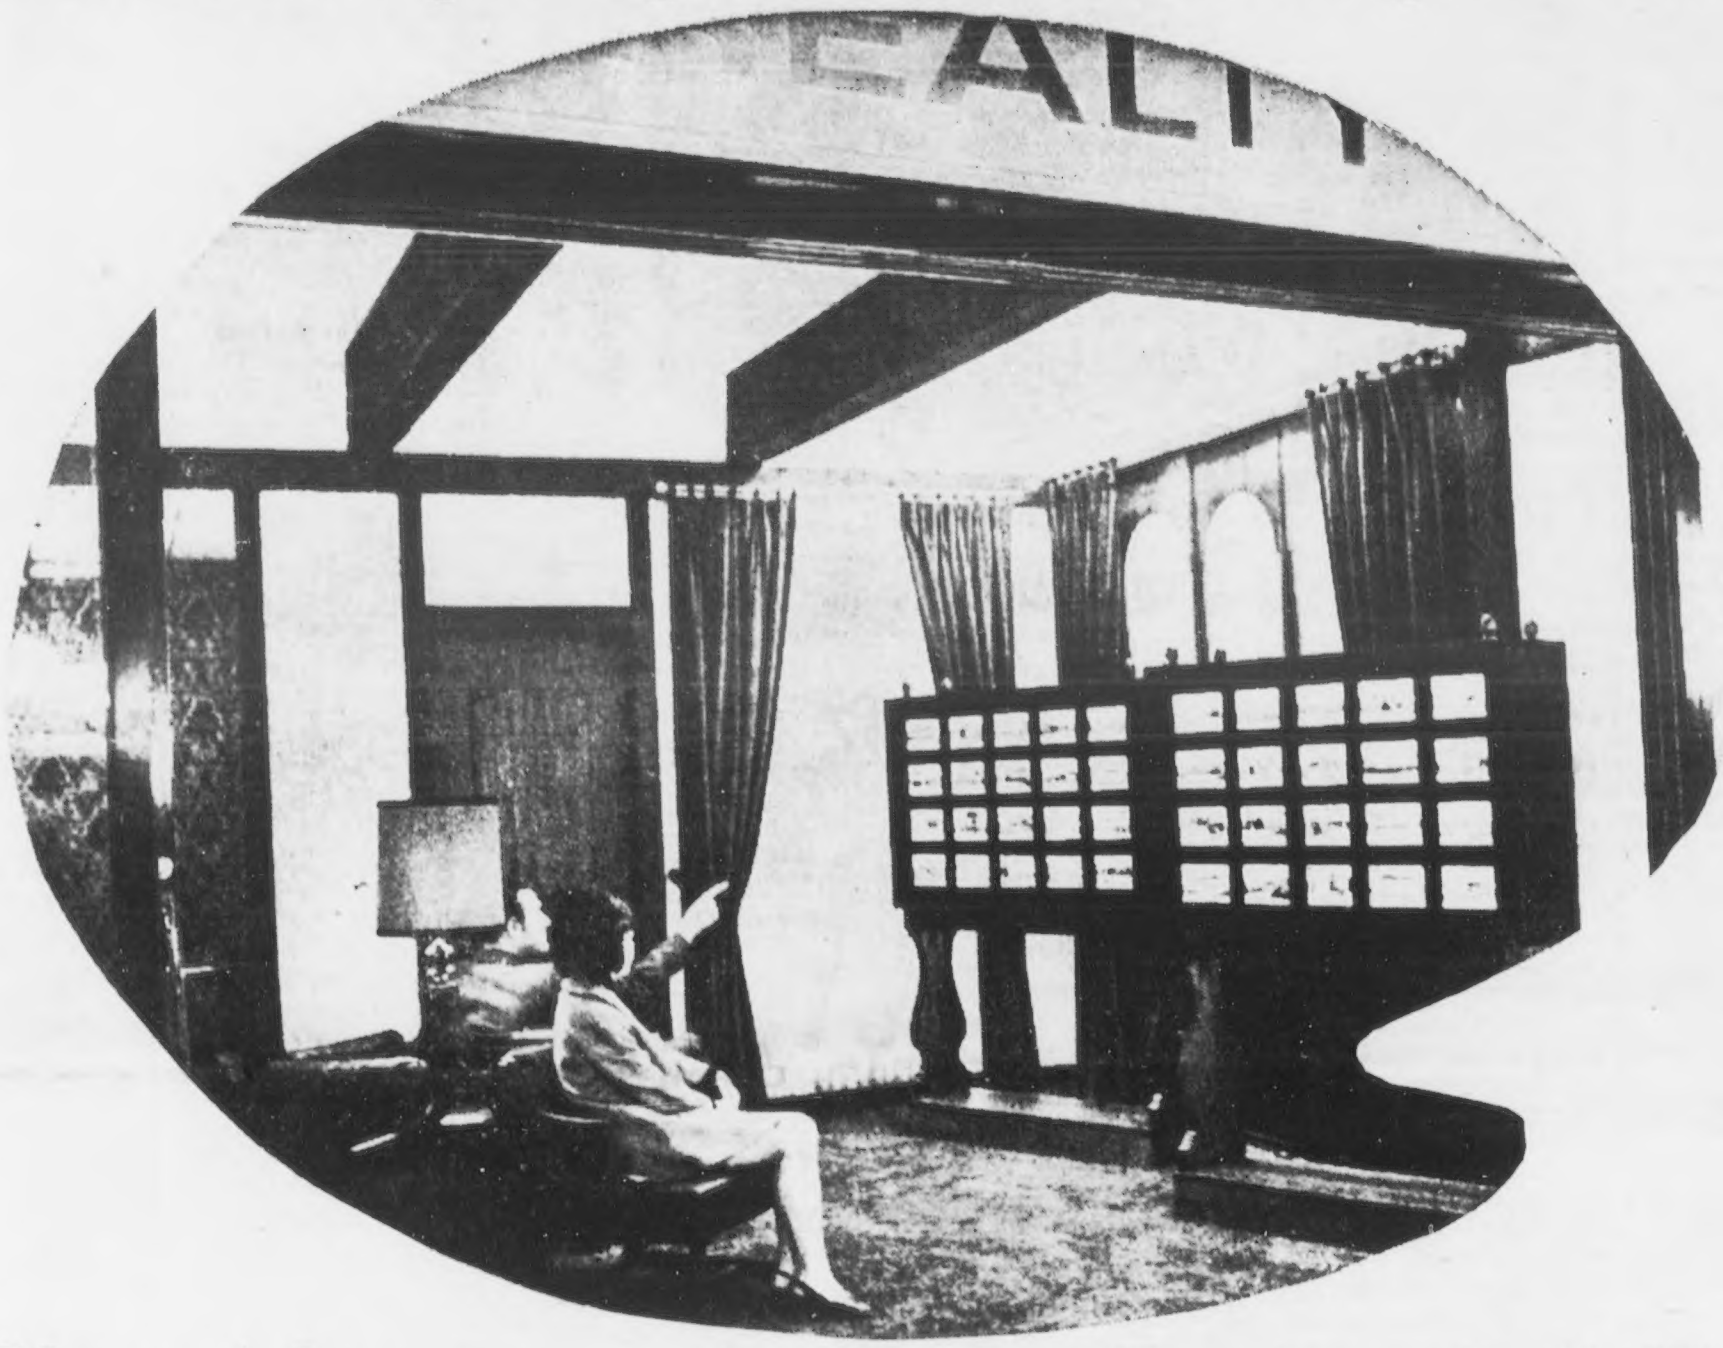
BUXTON REAL ESTATE

Proudly Announces . . .

The Official Opening of it's New Gallery of Homes



A New Adventure...in Home Buying & Selling..

Those tiring time-consuming days are over for house hunters who visit the beautiful GALLERY OF HOMES*. Now, in complete ease and living room comfort, never troubled by weather conditions, prospective buyers can find just the home they desire. Selections are made from photographs handsomely mounted in illuminated gallery displays.

Visitors to the GALLERY OF HOMES* learn the price, location, size, and other pertinent details of available homes in this area. They are then taken for an on-the-spot inspection of the homes they select which best suit their individual needs.

IF YOU ARE BUYING . . . . .

1. Browse at your leisure through our large Wonderland of 3 dimensional photos.
2. The finest home values are beautifully displayed to facilitate comparison and choice.
3. Save hours, perhaps days or weeks, of your time.
4. Visually compare styles, locations and values.
5. Ask about our cross-Canada trade-in program with GALLERY OF HOMES* associates in all major cities in Canada and United States.

IF YOU ARE SELLING . . . . .

1. Let our magic combinations, 3-D translite photos and top sales personnel, go to work for you.
2. Your home not just stocked, but on display daily, in illuminated gallery displays.
3. Take advantage of this progressive, no-cost service of the GALLERY OF HOMES*.
4. Benefit by the NATIONWIDE GALLERY OF HOMES* referral of prospective buyers..

THIS IS YOUR INVITATION TO ATTEND

THE OPEN HOUSE

Saturday, October 3 , 2-5 P.M.
